GLOBAL ACADEMY FOR TRAINING AND EDUCATION

Professional Training for Foreigners: A Passport for the Future in Italy and Europe

The professional future you desire begins with the right training. **GATE - Global Academy for Training and Education** is the key to opening doors to a world of opportunities, offering courses recognized both in Italy and across Europe, designed to meet the specific needs of international students. With a training that offers a combination of theoretical, practical, and language skills, GATE prepares you to successfully enter the international job market, providing you with the necessary preparation to face the challenges of the modern world.

From acquiring new skills to the possibility of official certifications, our courses will not only help you integrate knowledge but also gain hands-on experience through internships with partner companies. Whether you want to build a career in Italy or in Europe, GATE offers full support to help you achieve your professional project.

*Join us today and start your path
to a future full of opportunities!*

I Corsi

GATE - Global Academy for Training and Education offers a wide range of professional training courses, designed to meet the specific needs of **international students** and prepare them to face the challenges of the labor market in strategic sectors for the Italian and European economy. Each course is accredited by the Molise Region and complies with European standards, ensuring a high-quality training experience.

Our courses include:

- **Healthcare Assistant (OSS)**
- **Fashion Designer**
- **Meal Production Worker**
- **Tourism Promotion and Reception Worker**
- **Housekeeping Attendant**
- **Welding Technician**
- **Construction Worker for Structures**
- **Meal and Beverage Distribution Worker**
- **Pizza Maker**

Complete Support and Internships with Companies

Each course is structured to provide solid theoretical preparation, combined with practical components through internships with partner companies, allowing students to gain direct experience in their chosen field with programs tailored for foreigners:

- **Italian Language and Culture Courses** to ease the adaptation to the Italian and European social and work environment.
- **Internships and Stages** with partner companies to combine theoretical training with hands-on experience.
- **Recognized Certifications** that open doors to professional opportunities in Italy and other European countries.

Italians Abroad: Your Roots, Your Future in Italy

If you are of **Italian descent**, waiting for citizenship or have already obtained it, this is your opportunity to build a solid future in the country of your origins.

GATE – Global Academy for Training and Education also opens its doors to Italians abroad, offering access to the catalog of Professional Courses for foreigners. These programs are designed to guide you toward integration into the workforce and Italian society, combining qualified training, language learning, and understanding of the local culture.

Furthermore, **GATE collaborates with Regeneration**, an agency specialized in supporting **Italian citizenship applications**. If you are going through the citizenship recognition process, **Regeneration** will guide you step by step, providing full assistance in managing documentation and submitting applications.

Training, integration, citizenship: with GATE and Regeneration, you can turn your Italian roots into a real life project.

WHY?

Why Choose GATE?

- **High-Quality Training:** Certified and accredited courses.
- **International Opportunities:** Recognition of certifications at the European level.
- **Support and Guidance:** Consultancy for professional and cultural integration.
- **Hands-on Experience:** Internships with partner companies.
